THE MINDFUL PIAN

THE

THE MINDFUL PIAN is a unique and comprehensive guide to the art of playing the piano. It is designed to help you develop a deep understanding of the instrument and its capabilities, and to cultivate a mindful approach to your playing. The book is divided into two main sections: the first section covers the fundamentals of piano technique, and the second section explores more advanced concepts and styles. Each section is filled with practical exercises and insights that will help you to improve your playing and to develop a more mindful relationship with the piano.
